Principal  
Processor

**Region:**

Global

**Action indicator:**

Informational

**Published:**

15 July 2025

**Effective:**

20 July 2025

## Executive overview

Mastercard is turning on additional service codes for merchant affiliate reporting in the Mastercard Consolidated (MCBS) Billing System.

### Effective date details

Date	Details
20 July 2025	The Acquirer Authorization (AA), Authorizing Official (AO), and Global Wholesale Program - Mastercard Acquirer (GY) service codes will be part of the merchant affiliate report.

## Customer benefit

The addition of these three service codes in the merchant affiliate report will give acquirers a detailed breakdown of events under the AA, AO, and GY services providing a more comprehensive view of merchant level fees.

## What Mastercard is doing

On 29 June 2025, Mastercard will be turning on AA, AO, biometric and GY service codes for merchant level affiliate reporting in the Affiliate Report.

Any customers set up for the Affiliate Report at the merchant level will automatically start receiving merchant level reporting for these three services if they are billed for events under these service codes.

### Version history

Date	Description of change
15 July 2025	Initial publication date
